Project Name	How to Generate Traffic for your Website

Recommended

Boost product listings with paid ads
Get the most out of your paid ads with Performance Max campaigns. With Google's machine learning technology, your Performance Max campaigns will be automated to show the most impactful ads at the right time and place.
[Learn more](#)

Drive more traffic and sales by using both free listings and paid ads

Using free listings and paid ads together can double impressions and increase clicks by 50%*

✓

Promote your products across Google Search, YouTube, Display, Discover, Maps, Gmail, and more.

✓

Set a daily budget, and only pay when someone clicks.

📅

Claim \$500 in ads credit when you spend your first \$500 with Google Ads. Terms and conditions apply.
